PROFESSIONAL DEALER
EXPERT ADVICE

Your servicing Independent dealer can answer all your questions about the many benefits of owning a Cub Cadet.

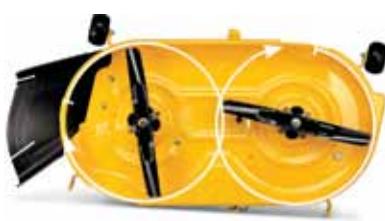

CHOOSE FROM SIX MODELS.

Featuring:

- 19 & 20HP** Kohler® Single Cylinder OHV engines.
- 22HP** Kawasaki® V-Twin OHV engines.
- 20 & 23HP** Kohler® V-Twin OHV engines.

**NOTHING TURNS LIKE IT.
NOTHING CUTS LIKE IT.**

The Series 1000 Lawn Tractor is simply the most innovative and easy-to-handle lawn tractor available.

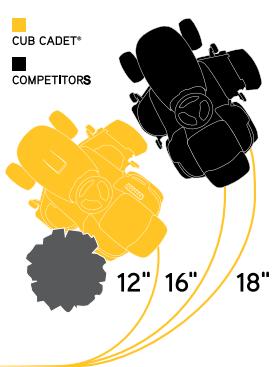

CLEANER CUT

The advanced cutting system features tough overlapping blades, a wide discharge chute and a deep deck for optimal grass lift and mulching capability.

TIGHTER TURNING RADIUS

The Series 1000 is the most maneuverable lawn tractor in its class with a tighter turning radius than any competitor.

WHAT THAT MEANS TO YOU

A perfectly manicured lawn with an even, neat spreading of grass discharge, every time.

Obstacles will no longer be a challenge. With tighter turning, you'll cut your mowing time and reduce the need for trimming and backing up.

Your investment will last longer, so you can accomplish more projects season after season and year after year.

BUILT TOUGHER

The fully welded steel frames on the Series 1000 are the thickest in the industry and come complete with cast-iron front axles and a 5-year warranty.t

**As rated by engine manufacturer. * Based on model LTX1040, retail selling price of \$1,949.00, with 15% down payment, financed over 48 months at 8.9% interest. Cost of borrowing is \$318.53. Taxes, freight, PDI and delivery charges not included, and may change the price or monthly payment.

WANT TO SAVE TIME? IT'S TIME FOR A RZT ZERO-TURN RIDER.

THE INNOVATION YOU NEED, TO MAKE THE JOB EASIER AND QUICKER.

Moving around the most complicated landscape is incredibly easy and fast.

THREE MODELS TO CHOOSE FROM:

- 42" Twin-Blade and 50" & 54" Triple-Blade decks.
- Lap Bars featuring super-soft grips.
- 20, 22 and 24HP** engines.

CLEANER CUT

The pivoting front axle and floating deck follow the contours of the ground for superior cutting, providing a smoother and more uniform look.

EASIER CLEAN-UP

The bagger attachment is easy to use and keeps your yard looking great.

STRONGER ENGINES

Cub Cadet professional-grade Kawasaki® or Kohler engines are built for long life, extended durability and commercial-grade performance.

**As rated by engine manufacturer.
* Based on model RZT 42, retail selling price of \$2,999.00, with 15% down payment, financed over 60 months at 9.9% interest. Cost of borrowing is \$693.22. Taxes, freight, PDI and delivery charges not included, and may change the price or monthly payment.

WHAT THAT MEANS TO YOU

You get a more beautiful lawn and a more beautiful home.

Collecting and disposing of grass clippings is quick and painless.

You get a machine that operates at peak performance year after year.

\$52²⁴
from
only
PER MONTH!* (o.a.c.)

Discover why it's SUPER!

- 25 & 26hp** Cub Cadet professional-grade Kohler® Courage® V-Twin OHV engines.
- Heavy-duty 9-gauge steel frame

SLTX – SUPER LAWN TRACTOR

THE PERFECT COMBINATION OF POWER, PERFORMANCE AND TOUGHNESS.

Your servicing Independent dealer can answer all your questions about the many benefits of owning a Cub Cadet.

SERIES 2500

- You want tough? You got tough!
- 42" Twin-Blade, and 44", 50" and 54" Triple-Blade decks.
- 20, 22 and 23HP** Kohler® V-Twin engines.

SEE HOW THESE FEATURES CAN MAKE ALL THE DIFFERENCE

BETTER DRIVE SYSTEM

The shaft drive brings power directly from the engine to the transmission with no belts to slip, snag or break.

TOUGHER TRANSMISSIONS

A cast-iron fully serviceable transmission with oil filter provides longer life and enhances performance.

SMOOTHER RIDE

A deluxe ultra-high back seat provides an extremely comfortable ride, plus the fender flare offers convenient storage. A 12V adapter turns your tractor into a portable power source.

**As rated by engine manufacturer.

* Based on model SLTX1050, retail selling price of \$2,899.00, with 15% down payment, financed over 60 months at 9.9% interest. Cost of borrowing is \$670.10. Taxes, freight, PDI and delivery charges not included, and may change the price or monthly payment.

Less fuel is lost during the power transfer, so you go longer in between refills. And you don't have to worry about repairing or replacing broken or dislocated belts.

WHAT THAT MEANS TO YOU

You get a transmission that runs quieter, so you enjoy a smoother, more relaxing ride. Plus, if there's a problem, it's easier and cheaper to fix.

You get back support to keep you comfortable during long days. And you have extra storage space for items like extra tools or keys.

THE FIRST EVER ZERO-TURN RIDER THAT PUTS THE EASE OF A STEERING WHEEL RIGHT IN YOUR HANDS.

** As rated by engine manufacturer.

0% Financing

(o.a.c. 12 months) Ask about terms up to 60 months.

If you thought all along you would use a Zero-Turn with a steering wheel... here it is!

- 22 and 26HP** Kawasaki® engines.
- Tilt steering wheel
- 48" and 60" Triple-blade mowing decks.

SMARTER TECHNOLOGY

The adjustable steering column and seat fits anyone. The steering wheel and steerable front wheels offer unmatched stability and control.

A WIDER RANGE OF TERRAIN
All-wheel directional, zero-turn maneuverability, a low center of gravity and powerful engine allow you to navigate complex landscapes.

THE LAWN TRACTOR THAT REVOLUTIONIZED LAWN MOWING.

The i Series Zero-Turn Tractors

- 18HP** Kohler® Single-Cylinder OHV engines.
- 20 and 25HP** Kohler® Twin-Cylinder OHV engines.
- Dual transmission for 360 degree turns.
- 42" Twin-blade, 46" & 50" Triple-blade decks.

BETTER TRACTION

A wide track and a low center of gravity provide extra traction and stability to mow a straight line on hills and inclines.

** As rated by engine manufacturer.

WALK BEHIND MOWERS

POWER AND PERFORMANCE FOR THE LONG RUN.

Just like our tractors, Cub Cadet walk-behind mowers deliver quality, innovation and performance.

- Push Mowers or Self-Propelled.
- Electric and battery-powered mowers.

Your servicing Independent dealer can answer all your questions about the many benefits of owning a Cub Cadet.

EASIER SINGLE-LEVER HEIGHT ADJUSTMENT

Change cutting height in one easy step.
(Available on selected models)

SHARPER CYCLOCUT™ SYSTEM
3-in-1 deck and blade engineering provide superior mulching, bagging and side discharge. *(Available on selected models)*

BUILT TOUGH TO LAST LONGER

CUB CADET TILLERS

- 13" Dual-Direction Self-sharpening tines.
- 18" Tilling width
- Honda GC 190 engine

SINGLE-HAND OPERATION
You can stand to the side and steer the tiller with one hand.

WHAT THAT MEANS TO YOU

You avoid walking through freshly tilled soil.

HIGH PERFORMANCE TO GET THE JOB DONE.

From their powerful, efficient 4-cycle engines to their tough, durable construction, our string trimmers and backpack blowers are built to perform season after season. So you can keep your home looking great year after year.

HANDHELD PRODUCTS

STRING TRIMMERS

We have a full line of curved- and straight-shaft models that make trimming around fences, trees and flowerbeds quick and easy.

BLOWERS

Padded multi-point harness reduces vibration and heat while providing greater comfort and keeping the blower secure on the operator's back.

Available at participating Cub Cadet Dealers.

4X4 EFI

BIGGER. STRONGER. TOUGHER.

- 748cc Kohler® V-Twin, liquid cooled engine.
- Ground speeds of over 56km/h

**STRONGER POWERTRAIN**

Powerful liquid-cooled 748cc EFI engine delivers optimum combination of horsepower and torque.

**TOUGHER BUILD**

The Volunteer™ 4X4 EFI has a rugged 3" ladder steel frame for increased stability and is backed by an industry-leading 2-year warranty.

**SMOOTHER RIDE**

Independent dual A-arm suspension with coil-over shocks provides 8" of wheel travel for increased comfort.

4X4 DIESEL

ALL THE POWER YOU'LL EVER NEED TO TAKE ON ANY CHALLENGE

Your servicing independent dealer can answer all your questions about the many benefits of owning a Cub Cadet.

- 854cc Yanmar® diesel engine.
- 1,400-lb towing and payload capacity
- 14.4 cubic foot steel bed
- Ground speed of over 48 km/h

OPTIONAL EQUIPMENT

COMPLETE DELUXE CAB

The combined design and thick poly reduce noise levels and provides maximum coverage for both the driver and passenger.

72" SUPER-DUTY SNOW BLADE WITH MANUAL ANGLE

Angles up to 28 degrees with heavy-duty skid shoes and four adjustable springs.

HOOD RACK

Steel hood rack with headlight guards mounts directly to bumper and OPS. Hood rack pivots forward allowing the hood to be opened easily.

GUN BOOT AND MOUNT

Includes a Kolpin® Transport IV gun boot with Bootlector® holder and Cub Cadet bracket.

WARN® 4,000-LB WINCH AND MOUNTING PLATES

4,000-lb. winch with remote control and steel cable.

**WIDE OPERATOR STATION**

Designed with ample leg room and easy-to-reach controls, the Sc2450 is comfortable to operate. The high-back seat provides extra comfort and reduces fatigue.

**2-RANGE SHIFT-ON-THE-GO®**

Shift between high and low range without stopping or disengaging cruise control, even when using the loader, tiller or grading equipment.

BEYOND THE EXPECTED.™

A SUB-COMPACT BACKHOE WITH ALL-PURPOSE APPEAL.

- Selectable 4WD
- Fully Hydraulic Power Steering
- Cruise Control
- Electrohydraulic PTO

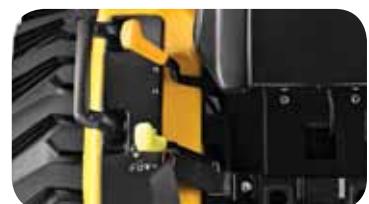

THE VERSATILITY TO DO IT ALL.

The performance to have fun doing it.

**DRIVE-OVER 60"
SELECT CUT™ DECK**

The Sx3100 offers a 60" heavy-duty fabricated mid-mount mower deck, adjustable leading edge, commercial drive system and innovative drive-over installation.

**2-RANGE HYDROSTATIC
TRANSMISSION**

The innovative transmission of the Sx3100 is matched with the engine, so power is transferred efficiently. Gives the operator an infinite number of ground speeds with no shifting.

Cub Cadet
COMMERCIAL

Your servicing Independent dealer can answer all your questions about the many benefits of owning a Cub Cadet.

THE
TANK™ S

**You'll not only get more done faster,
you'll get it done better than ever before.**

- Cuts up to 10 acres per hour.
- Fully hydraulic power steering.
- Adjustable steering column.

**THE NAME SAYS IT ALL.
YOU'LL GET SO MUCH
MORE DONE WITH A TANK.**

EASIER TO OPERATE
Intuitive features include a fully adjustable steering wheel with hydraulic power steering and forward and reverse foot pedals.

**GREATER STABILITY AND
MANEUVERABILITY**

Synchro Steer™ technology offers full directional control of the front wheels, unlike standard zero-turns. The TANK™ S Series makes true zero-degree turns.

WHAT THAT MEANS TO YOU

You spend less time learning controls and more time working in comfort, so you can remain productive all day.

You'll be able to make tight turns to maneuver around plants, shrubs and walkways – while avoiding turf damage.

Products may not be exactly as illustrated.
